

Saint Report

You may use a computer to generate your saint report this year. Research your saint whose name you plan on taking at your Confirmation. The report will show the Pastor that you really know your saint. Follow the guidelines provided and incorporate them into your report. If you have difficulty finding a computer to use for your report, please contact your teacher or the Religious Education Office for guidance.

1. Please type clearly at the top of the page your name and the teacher whose class you are currently attending.
2. Type the name of your saint. This will be the name you are taking at Confirmation. If you decide to change the saint during the year, a new report will be required.
3. The year of birth, the place of birth, where this person did their ministry and the year and means of their death.
4. What impressed you the most in the life of this saint?
5. What virtues did this saint practice that you would like to emulate in your life?
6. Why did you choose this saint to be my Confirmation Patron?
7. When is the saint's feast day?
8. This report may be accompanied by a picture of your saint.
